Welcome to the first issue of our new e-newsletter

Welcome to the first issue of our new monthly e-newsletter by the name "UMT Academic Affairs Quick Update". We will be preparing and emailing to our contacts, alumni, researchers, collaboration partners, universities, etc. This is part of our outreach efforts to spur internationalization and intensify collaboration efforts. We look forward to establishing a better working relationship with each and every one of you. We hope you enjoy this new way to keep you informed of the exciting academic news of University of Malaysia, Terengganu (UMT).

UMT's Staffs on Study Leave Embrace the Declaration of Success

"WE ARE THE MOST REDESIGNED HIGHER EDUCATION IN THE WORLD!!!" declaration of Dato' Seri Idris Jusoh was chanted from inside The Everly Hotel by nearly 50 participants of Talent Development Programme for The Academic and Non-Academic Staff of UMT on Study Leave in Malaysia. Participants were enthusiastic to learn about the latest development in the higher education system relating to programmes that have redesigned relevant to Industry 4.0 and proud to declare to be the first in the world. This programme

was organized by the Registrar, Professor Dr. Nora' Aini Ali where all postgraduate staff were given the opportunity to meet up close and personal with the Vice Chancellor, Professor Dato' Dr. Nor Aieni Mokhtar. The programme kicked off with UMT's Deputy Vice-Chancellor (Academic & International) Prof. Ir. Dr. Noor Azuan Abu Osman whom made an inspiring and captivating talk on his journey of being a successful and prominent academician. Urging the staffs to graduate on time, stressing the importance of publication and make known the finding of their studies was strongly emphasize by the renown academician. He hopes to see UMT breaks into the top 200 ranking by 2023 and if everyone continues to work hard, UMT will be soaring heroically into the future. The highlight of the event was the appearance of the Vice Chancellor of UMT who was proud that the participants were doing exceptionally well in terms of publication of their studies. The one day programme ended on a high note where everyone was fuelled and burning with desire to succeed in their pursuit of academic excellence no matter what challenges they may face in the era of IR 4.0.
